## ***ACCESSORIES FOR CEMENT BOARD AND WOOD FIBER SIDING***

- \* Fabricated from rich textured wood-grained painted aluminum to naturally match the wood-grained texture of the siding. Combines the durability of painted aluminum with the beauty and charm of wood.
  - \* Superior paint system resists cracking, peeling, chalking, fading, and chipping.
  - \* Full 40-year warranty on painted finish.
  - \* Easy application with quality results.
- \* Durable design and paint system provide the carefree complete solution of siding accessory installation.
  - \* Snap-on design provides flexibility for easy installation or replacement.
  - \* Currently available in 20 beautiful colors to match existing sidings in the industry. Other colors will be added to meet industry needs.
